

### Programs Outside of the South Stark Career Academy:

While the South Stark Career Academy provides a wide and varied assortment of programs, we recognize that your needs may not be met by these offerings. You have the opportunity to attend a College Tech Prep program at any Stark County School, so long as that program is not offered by the South Stark Career Academy. Transportation has not been, nor will be provided to any school other than Perry and R.G. Drage. Transportation is not guaranteed to any program outside of the South Stark Career Academy.

---

(Again, you may visit and/or attend only those programs not available above, as offered by the South Stark Career Academy at Sandy Valley, Perry, or South)
