

NHS Leadership Tally Sheet

Name:

Leadership points must be accumulated through Canton South Activities and/or sports. Points will be awarded based on **active participation**.

Active participation is defined as a student who attends the majority of the organization's meetings and events. The student must be current with dues and assist the organization in achieving its stated goals. The faculty club advisor will be asked to initial the students **active participation**.

The activities and sports listed below will be assigned **two (2) Leadership points** per activity per year beginning with grade 9. These are activities which meet and/or practice after school hours and require students to donate personal time.

A student who has accumulated a GPA of 3.5 or higher **MUST acquire seven (7) Leadership points** to continue in the NHS membership process. The points must be accumulated from grade 9 through the second grading period of the junior or senior year.
