Legacy of Greece Digital Display of Learning

Task: You will create a scrapbook or a website describing, analyzing, and visually displaying your understanding of the legacy of Greece and its importance to society today.

Choices for Scrapbook: traditional scrapbook, Google presentation, Mixbook

Choices for Website: Weebly, Google sites

Directions:

- You will design one to two pages over each of the contributions the ancient Greeks made to modern society.
- Each topic should include the answers to the questions given to you for each Greek contribution. Use your reading notes from Chapters 26 and 31 and any additional information covered in class to find the answers to the questions. **You may need to do some additional research for some of the questions.**
- Each topic should include at least two graphics, one from ancient times and one from modern times.
- Next, you will add creative touches to make your scrapbook or website visually appealing. Use your imagination! Add maps, photos, artwork to make it visually creative.
- Finally, you will create a title page which includes: an appropriate title for your scrapbook, your name, and a graphic.
- Please make sure ALL the questions for each contribution are answered within your scrapbook or website.**
- Use the rubric to evaluate your work.

Checklist for each topic:

- Title
- Ancient times graphic/picture
- Modern times graphic/picture
- All questions and /or tasks answered
- Website listed for each graphic/picture
